CORPORATE SOLUTIONS PERSONAL STATEMENT

Welcome to AIA New Zealand.

If you prefer, you can complete this form in private and post it directly to:
Private Bag 92499, Victoria Street West, Auckland 1142

If you need extra space to provide any response, please use the notes on pages 14 and 15 and write 'refer to notes' next to the original question.

DUTY OF DISCLOSURE: WHAT YOU NEED TO TELL US

The purpose of this Personal Statement is to prompt you to provide information we may consider relevant to the assessment of your application ("Application") for insurance.

We understand that the questions we ask in this form may be sensitive and completing the form may take time, but it is very important that you give us all the information asked for, as this may affect your Application for insurance.

It is important that you understand your **duty to provide truthful, complete and correct information** about yourself, including your health and medical history.

This means you should:

- > Always tell the truth (including if your circumstances change after you have completed this Personal Statement but before the policy is issued);
- > Answer questions as fully as you can, including as much detail relating to your current and past circumstances as possible;
- > Include all information, even if you're unsure it is relevant;
- > Tell us if you don't know the answer to any question; and
- > Ask questions if there is anything you're not sure of.

At claims time, we will look further into your personal history. If we discover that you haven't told us something material, we may either alter the terms of the insurance issued in relation to your Application (which might affect your claim) or we may avoid the insurance issued in relation to your Application from its inception which means that you would not be able to make a claim, as no policy would exist. It does not matter if the new information is about a condition unrelated to your claim.

What happens next:

Once you have completed this Personal Statement form it will be sent to AIA and an Underwriter will assess the information you have provided. We may require further information from you or your GP to complete our assessment. Typically the more information you provide on the Personal Statement form the faster we are able to process your Application, so please provide as much detailed information in the General Health Questions as you can.

After the assessment has been made:

You will be advised in writing of the outcome of your Application, whether it has been accepted and if any terms have been applied.

If you are unsure of anything, don't be afraid to ask the Plan's financial adviser or AIA for help. Contact your Plan Adviser or phone us on **0800 500 108**.

Please read your duty of disclosure and declaration carefully, then complete the disclosure check boxes and sign the bottom of page 13 to show your acceptance of these terms. Failure to make the following declaration truthfully may invalidate any insurance issued in relation to your Application.

Important Notice: Your duty of disclosure

When you apply for insurance with AIA New Zealand Limited ("AIA"), and whenever you apply to vary or reinstate it, you have a duty to disclose all information you know (or could reasonably be expected to know) that would influence the judgment of a prudent underwriter in deciding whether or not to insure you, and if so, on what terms and at what cost. If you fail to comply with your duty of disclosure, AIA may avoid any insurance issued in relation to your Application from the beginning, which means any claim will not be paid.

I acknowledge that in issuing insurance related to this Personal Statement form, that AIA is relying on all disclosures made by the Policy Owner, or by or on behalf of me ("life to be assured") on any application relating to the related Corporate Solutions Plan ("Plan"), this includes any application for a policy or policies issued by ("related company or companies") Sovereign Assurance Company Limited ("Sovereign") or AIA International Limited, New Zealand Branch ("AIA Intl"), and that all such disclosures were true and correct to the best of my knowledge at the time they were made.

Please note, AIA may request a copy of your entire medical file from your General Practitioner and other medical providers.

If in doubt - disclose. We treat all information confidentially.
